# Visit, discover and enjoy

Winery tours, fine dining, charming hospitality: Your wine country adventure begins here. With this map, we've aimed to make the navigation easy—along with the distinctive white and blue Wine Route road signs, you will soon discover that Ontario's wineries are as easy to find as they are to love.

Tasting environments are friendly, informative and helpful, making it a pleasure to sample and learn about the great wines produced by Ontario's dedicated winemakers.

Whether you make it a day trip or a weekend escape, in summer or winter, you're certain to find a getaway that's as close—or as far away—as you want it to be.

Be sure to call ahead to confirm tour times, or visit [www.winesofontario.ca](http://www.winesofontario.ca) for information.

To help you plan your trip geographically, we've divided our winery listings into five popular destination areas.

Beginning in the west, you will find the southern warmth of Lake Erie

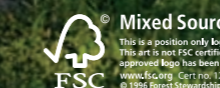

North Shore and Pelee Island. Centrally, Niagara Escarpment and area and Niagara-on-the-Lake offer the province's greatest concentration of wineries. Close to the vibrant urban setting of Canada's biggest city you find the wineries of Toronto and York Region. Finally, to the east, Prince Edward County and area contrasts a rapidly growing wine and food culture with the quaint setting of historic towns and villages.

No matter which area you choose to visit, enjoy fine cuisine, great shopping, warm hospitality and, of course, distinctive wines that express the uniqueness of the region in which they were grown.

Start planning your adventure today!

For additional copies of this map, please visit [www.winesofontario.ca](http://www.winesofontario.ca) or call 1.800.ONTARIO.
